

Grandparents and Special Friends Outreach

2018-19

Dear Parents:

Building relationships is the first step in successful friend and fund raising. Prairie Hill's outreach communications are designed to share news of Prairie Hill's many accomplishments and the results of a Waldorf education, as well as raise awareness about our school's needs to attract a wider pool of supporters for our fundraising efforts.

Many Prairie Hill parents would like their child's extended family members to become familiar with Waldorf education and their child's Prairie Hill experience. We are happy to include your extended family and special friends in our outreach communications to keep them up-to-date on Prairie Hill events, festivals and class activities. These communications help engage friends and families in the Prairie Hill community, often inspiring them to attend events, volunteer their time and financially support the mission of our school.

I invite you to think of people you would like to include in our Grandparents and Special Friends of Prairie Hill outreach communications. Feel free to use the back of this page to add additional names. **You may return the form below with your re-enrollment or enrollment materials or at the August Forms, Photos & Fees Day.**

Thank you for helping to spread the word about Prairie Hill and the Waldorf difference!

Gratefully,

Jeanne Ring
