

Week 7: July 22-26 Parade of Music

Create and play musical instruments out of everyday household items. Children will end the week with a delightful parade of music through the school & grounds.

Week 8: July 29-Aug 2 Fine Feathered Friends

Observe the magic, hear their songs and make a beautiful home for birds. Children may make a feathered friend and a birdhouse during this week of Summer Garden.

Week 9: Aug 5-9 Under the Sea

Learn, make and play as we dive into the life and beauty of the ocean world!

Week 10: Aug 12-16 Happy Harvest

Reap what has been sown earlier in the season! Harvesters will dig and cut and fill their baskets. Then it's time to taste the fruits of their labors. Campers will enjoy preparing their harvest for a fresh snack or meal.
