

Week 7: July 25-29 I Saw How You Did That

Grab your hammers and your saws! This week we will explore the world of woodworking. Campers will create some amazing hand crafted projects and learn to utilize simple woodworking tools.

Week 8: Aug 1-5 Wild Artists

Let your imagination run wild! This week we will immerse ourselves in the beauty of our natural surroundings, taking inspiration from all we see. Campers will gather materials from our extensive campus and use them to create works of art from clay, salt dough, mud and more.

(Activities within the theme may be subject to change without notice.)

an enchanted place where colors are
brighter, the air is softer and
the morning more fragrant
than ever again."

Don't miss these adventures;
choose from eight weeks of summer fun!

Week 1: June 6-10 I'm Tied Up Right Now

Get ready to make a fashion splash! This week we will immerse ourselves in colorful creativity as we explore tie dying, including some unique techniques like reverse dying and ice dying. Campers will create wearable works of art, including t-shirts and socks.

Week 2: June 13-17 Picture Perfect

See the world through the eyes of an artist! This week we will explore famous works of art and the masters who created them. Campers will dabble in different mediums, such as painting and drawing as they create their own masterpieces.

Week 3: June 20-24 Birds of A Feather

Grab your binoculars and practice your bird calls! This week we will take to the meadow and woods in search of our feathered friends. Bird themed art will abound this week. Campers will even create a bird feeder from kitchen utensils.

Week 4: June 27- July 1

Adventures of the Swiss Family Robinson

Do you have what it takes to survive in the great outdoors? This week we will learn how to utilize the resources around us to create shelters and structures. Campers will learn basic fort construction and water gathering techniques.

Week 5: July 11-15 Lost in Space

Get lost in our glorious galaxy! This week we will study the day and night sky, a well as the planets and stars. Campers will study the constellations and create far out crafts!

Week 6: July 18-22 Go Green or Go Home

Reduce, Reuse, Recycle! Train your brain to see things in a new way. This week trash becomes treasure, as campers create unique pieces of art from recyclable materials.
