

Week 6: July 18-22 Bugs and Butterflies

They are everywhere we look, and look we will! The children may explore and discover the beauty of bugs that creep and crawl and butterflies that flutter and fly. Stories of these creatures are sure to delight and inspire bug and butterfly crafts of this fun themed week.

Week 7: July 25-29 Melody and Music

Musicians will come and play their instruments for the children this week, inspiring song and dance! Several musical instruments will be made to ready for exploration and merriment. The week will end with a kazoo concert and parade through the school grounds.

Week 8: Aug 1-5 Under the Sea

Our play yard is transformed into an underwater garden where fish and sea creatures swim. Water tables brim with aquatic themed items for play on these warm sunny days of summer. A fun filled week of water play and themed crafts for the children to make and engage with.

(Activities within the theme may be subject to change without notice.)

**“There is a garden in every childhood,
an enchanted place where colors are
brighter, the air is softer and
the morning more fragrant
than ever again.”**
~ Elizabeth Lawrence

Summer... As It Should Be:

Nourish your child's inherent connection to nature and enliven a sense of wonder! Whether skipping through the meadow, climbing trees, searching for frogs, or playing games with friends; children in our Summer Garden Camp are given a summer that helps them fully experience the world around them. The gentle rhythm of Waldorf education carries the children throughout their day, ensuring a balance of activities.

Join our experienced staff for fun in the sun, joyful play and creating!

At Prairie Hill Summer Garden Camp your child will experience:

- Morning meadow walk
- Exploring nature
- Making new friends and deepening relationships
- Plenty of time for creative free play
- Singing, movement and water play
- Fun-filled activities
- Learning and practicing new skills
- Weekly themes
- Creating art projects with natural materials
- A consistent rhythm

All Summer Gardeners must be daytime potty trained.

Don't miss these adventures;
choose from eight weeks of summer fun!

Week 1: June 6-10 Habitats and Homes

Explore the meadow and walk ways, trees and all the little homes of our forest creature friends. Children will discover what animals and creatures live in each habitat and will have the chance to create little "homes" for their forest friends. Campers are encouraged to bring from home a stuffed little animal or creature that they will then create a special habitat for that they will take home at weeks end.

Week 2: June 13-17 Fairy Tales

"Once upon a time"....the telling of fairy tales from many a culture will enchant the children's imaginations. Campers will explore and test their castle building skills, create crowns and stick swords all while making fabulous memories in the land of fairy tales.

Week 3: June 20-24 Fine Feathered Friends

Hear their songs, look for their nests and observe the magic of the birds in our meadow. The children will have opportunities to bird watch on their meadow walks and paint little birdhouses for their feathered friends and the chance to make a little bird of their own.

Week 4: June 27- July 1 Friendly Frogs

Children will hunt for our hopping green and brown friends as they search for their homes. Frog games and stories will delight and amuse along with the chance to create little frogs of their own. Water tables will allow exploration of the life stages of a frog sure to make frog exploration fun.

Week 5: July 11-15 Magical Forest

Meander through the enchanting trails to find fairies, gnome holes and other magical forest friends. Children may build tiny homes and gardens, create wands, and enjoy the wonder of their rich imaginations.
